In the Matter of:

THE PROPOSED TARIFF FILING OF GTE SOUTH)	
INCORPORATED TO ESTABLISH OPERATOR)	CASE NO.
TRANSFER AND INWARD OPERATOR ASSISTANCE)	92-396
SERVICES)	

O R D E R

On February 11, 1993, AmeriCall, Inc. ("AmeriCall") filed a motion to reconsider the Commission's decision which had declined to require GTE South Incorporated ("GTE South") to impute the price for Operator Transfer Service ("OTS") when a 0- call was transferred to GTE South's network. GTE South filed its response and AmeriCall has also filed a reply.

The Commission will grant this motion to consider whether imputation of OTS would be necessary to comply with the requirements established by the Commission in Administrative Case No. 323.¹ GTE South and AmeriCall should file comments regarding imputation of access services to local exchange carriers and whether OTS should be excluded from imputation requirements.

South Central Bell Telephone Company ("South Central Bell") should be made a party to this proceeding and should also file comments because it has an OTS offering with no imputation

requirement. South Central Bell's OTS tariff was approved prior to the implementation of Administrative Case No. 323.

In addition, GTE South and South Central Bell should provide state-wide demand projections including the demand resulting from their own operator service. Further, South Central Bell should file its historical usage.

The Commission, having been otherwise sufficiently advised, HEREBY ORDERS that:

1. AmeriCall's motion for reconsideration is granted.
2. GTE South's tariff shall remain in effect pending this rehearing proceeding.
3. South Central Bell shall be made a party to this proceeding.
4. Within 30 days of the date of this Order, parties shall file comments regarding whether imputation is required for OTS, pursuant to Administrative Case No. 323.
5. Within 30 days of the date of this Order, GTE South and South Central Bell shall file demand projections including demand resulting from their own operator services.
6. Within 30 days of the date of this Order, South Central Bell shall file the historical usage of its OTS offering.
